

You'll be glad to hear...

OUR LOBBIES HAVE REOPENED!

We're happy to serve you in our bank lobbies once again!

For the safety of our customers and employees, please follow these guidelines:

- Wear face covering upon entering the Bank
- Please maintain social distancing of at least 6 feet
- No more than 6 customers are allowed inside our branch locations at one time (4 customers in the New Windsor office)
- We encourage all customers who are unable to meet these guidelines, or are not feeling well, to use our drive-through, or Online and Mobile Banking.

Thank you for your ongoing support!
